MEMORANDUM FOR: Mr. Lundahl

25 June 1956

SUBJECT : HTAUTOMAT Requirements for Project AQUATONE
Photography

REFERENCE : HTAOC-2, 12 June 1956 (SAPC 6754)

1. A review of HTAUTOMAT requirements, as stated in referenced memorandum, indicates Eastman Kodak will be capable of satisfying your need for the type and quantity of photography mentioned.

2. For your information, HTAUTOMAT requirements, as well as requirements expressed by other using agencies, are being consolidated into a single distribution list for use by Eastman Kodak. Pending completion of this list, interim instructions have been issued KODAK regarding requirements expressed in your memorandum.
